

# MASKS MANDATORY IN MONO...

## WE GOT THIS.

Some days you'll get eaten alive without a mask.  
Now it's just a different kind of bug.

# MASKS MANDATORY IN MONO...

## WE GOT THIS.

We've been covering our faces on the trail forever.  
Now there's a new way to keep from  
biting the dust.

# MASKS MANDATORY IN MONO...

## WE GOT THIS.

Think of it as a face guard  
that protects everyone else.

# MASKS MANDATORY IN MONO...

## WE GOT THIS.

For people used to protecting their brains,  
wearing a mask is a no-brainer.
